

# WHAT IS FRACK FREE COASTAL COMMUNITIES?

Local residents from the Coastal villages have set up a group called **Frack Free Coastal Communities** or **FFCC** to campaign to stop this happening. The group has both local residents and national support including **Friends of the Earth** to collate all available information and is meeting regularly. **Frack Free Scarborough** is supporting our local group and helping get the key messages out.

## HOW CAN I HELP OR GET INVOLVED?

### TALK

Tell as many people as possible about it so everyone has the information and how this will affect our beautiful area and our planet.

### GET INFORMED
